29 NOVEMBER / SATURDAY

ACTIVITY TITLE: Hiking to enjoy the wintery Agios Nicolas area and the chromium mines

FROM: Agios Nikolaos tis Stegis – Chantáres

MEETING POINT: Agios Nikolaos tis Stegis at 11:00 a.m.

DURATION: 4,5 hours

GUIDE: Savvas Iliadis

TEL: +357 99 412298

Circular route, total length 8.5 km

DESCRIPTION : The first kilometer follows a forest road running parallel to the Karkotis River.

We then continue for 2.6 km through a captivating landscape along the river — at several points, we will need to cross it.

In the Chantáres area, we will visit the chromium mine gallery and the old mining installations. From there, we follow a dirt road toward the Agios Nikolaos water plant, where additional remnants of the mining site can be seen, before heading back to the starting point.

Throughout the hike, the guide will share insights into the history of the area and its mining past.

IMPORTANT NOTICE: This hike is intended for adults and participants in good physical condition. Caution is advised during river crossings, please follow the guide's instructions carefully at all times.

EQUIPMENT: Hiking boots or sturdy trekking shoes, Walking sticks (trekking poles), Rain jacket, At least 1 liter of water and a light snack.

The route may be modified if necessary due to weather or safety conditions.
